

Amateur built in 2016, RANS S-20 for sale - built by Ted Bryant, former RANS dealer. Aircraft and engine/prop have only 280 hours, new tires, new tachometer, new fuel transducer and installing a Badlands STOL wing cuff and titanium Acme gear and shocks. Rotax 912ULS with Kiev 3 blade prop, iFly GPS, Garmin Transponder (with ADS-B out) and Garmin single comms, Sentry Plus providing ADS-B in, and Trutrak AP including straight and level button. S/N 08140019

Great STOL aircraft! Medical cert is in limbo so need to sell aircraft. Asking \$135,000 or best offer.
